## EXTRA CURRICULAR ACTIVITIES – GSSSIETW, MYSURU

Extracurricular activities play an important role in student's lives and in their future. Involvement in these activities helps them in the development of an individual's personality and facilitates them to acquire socially responsible leadership skills, gain knowledge, multicultural competence. GSSS Institute of Engineering and Technology for Women provides a platform for the students to showcase their talents and interests by participating in various extracurricular activities/events.

**GSSSIETW students have participated in the following events/activities:**

- **Professional Forum**
- **Technical Forum**
- **Entrepreneurship Development Cell**
- **IEEE Activities**
- **ISTE Activities**
- **Alumni Association Activities**
- **Science Forum**
- **Sports Activities**
- **Cultural Activities**
- **National Service Scheme (NSS) Activities**
- **Ranger Unit Activities**

Pratap Kumar, Joint Secretary, GSSS (R), Mysuru, Smt. Vanaja B Pandit, Hon. Secretary, GSSS(R), Mysuru, Chief Guest Dr. K Balaveera Reddy, Former Vice Chancellor, Visvesvaraya Technological University, Belagavi, Guest of Honor Dr. Chin Kuan Ho, Dean, Faculty of Computing and Informatics, Multimedia University, Malaysia, Sri. B V Srinivasa Gupta, Vice President GSSS(R), Mysuru, Dr. Shivakumar M, General Chair, Head, Dept. of EIE and Dean (Academics), GSSSIETW, Mysuru, Dr. Parameshachari B D, Organizing Chair, Professor & Head, Dept. of TCE , GSSSIETW, Mysuru.**

Dr. K Balaveera Reddy, in his inaugural speech, appreciated GSSSIETW for taking very good initiative in the field of research. Forum of this kind will be helpful to the researchers in their technical growth to the industrial level. Dr. K Balaveera Reddy advised the management and professors to take an initiative to conduct such programmes in collaboration with other universities across the world. He appreciated the growth of around 5000 Engineering & Technical institutions in contributing towards the growth of India.

**Chief Guest Dr. K Balaveera Reddy, Former Vice Chancellor, Visvesvaraya Technological University, Belagavi addressed the gathering.**

**Guest of Honor Dr. Chin Kuan Ho, Dean, Faculty of Computing and Informatics, Multimedia University, Malaysia Honored during the Inauguration of the Conference.**

The Guest of Honor Dr. Chin Kuan Ho, Dean, Faculty of Computing and Informatics, Multimedia University, Malaysia addressed the gathering by thanking the management and organizing committee for the finest hospitality in the smooth conduction of the conference. He appreciated GSSSIETW for its reputation of being the first Women's engineering college in Karnataka. In his speech, he addressed the key area that would revolutionize the world in terms of technology namely Industry 4.0 which includes trend of automation and data exchange in manufacturing technologies. It includes cyber-physical systems, the Internet of things, cloud computing and cognitive computing. He also shared the views on Malaysian Telecommunication systems and Geo-Hazards in perspective of IoT and deep learning technologies

**Guest of Honor Dr. Chin Kuan Ho, Dean, Faculty of Computing and Informatics, Multimedia University, Malaysia addressed the gathering.**

**Honored the Russian Delegates during Second day of the Second International Conference on Electrical, Electronics, Communication, Computer Technologies and Optimization Techniques (ICEECCOT-2017)**

**Dignitaries of Second International Conference on Electrical, Electronics, Communication, Computer Technologies and Optimization Techniques (ICEECCOT-2017)**

**Participants along with the dignitaries, ICEECCOT - 2017**

**Participants and Audience, ICEECCOT - 2017**

ICEECCOT-2017 has proved to be very popular and has received 300 scholarly submissions from all over the world. The conference program committee had a very challenging task of choosing high quality submissions. Through rigorous Triple blind review and recommendation of the reviewers 176 quality scholarly submissions were selected for inclusion in the conference proceedings. The papers are categorized into specific domains and for each domain the “BEST PAPER” was awarded. Invited session chair persons from Karnataka, Maharashtra, Telangana, Tamilnadu & Kerala will provide fruitful suggestions for all participants. Authors from India, Brazil, Columbia, China, Iran & United Arab Emirates were participated in this conference.

Students, Research Scholars and faculty members from Engineering Colleges & Universities in India & abroad are present in this conference.

## PROFESSIONAL FORUM

The student professional forum GSSSIETW provides platform for the students to showcase their technical talent through technical paper publications, technical project proposals at national & international forums across India. This forum is coordinated by two institutional level co-ordinators Bore Gowda H B, Department of ECE & Jagadisha N, Department of EEE and project co-ordinators of other branches. This group is successfully proposing students work/talent/projects to different forums and getting awards & prizes.

### Consolidated Project proposals statistics

## ALUMNI ASSOCIATION ACTIVITIES

“The Mini Project Symposium-2018” on 24<sup>th</sup> February

	
<p><b>Mr. Venkatesh Murthy</b>, Executive Director, Engineering, Velankani Software Pvt. Ltd, Bangalore, addressing the final year students during the Mini Project Symposium-2018.</p>	<p>Alumnae and final year students were present in the Mini-Project Symposium-2018</p>

GSSS Institute of Engineering and Technology for Women (GSSSIETW), Mysuru in association with IEEE Student Chapter Region 10 (Bangalore) and GSSSIETW Alumnae Association had organized Mini Project Symposium -2018 on 24th Feb 2018 at Seminar Hall, (GSSSIETW), Mysuru. Dr. Shivakumar M, Principal, GSSSIETW, Mysuru and Mini Project Symposium-2018 coordinator Dr. Prameshachari B D, Prof. & HOD, Dept of TCE, Alumnae of all the departments from various Companies, HOD's of various Department, Project Coordinators, Faculty members and Final year Students were present.

The Chief Guest for the function Mr. Venkatesh Murthy, Executive Director, Engineering, Velankani Software Pvt. Ltd, Bangalore highlighted the importance of project ideas which make meaningful steps towards the welfare of the society. He appreciated the initiative taken by the institute, which provided students a platform to exhibit their technical skills, work with team and explore themselves towards the niche trends of their respective fields. He gave an overview of expectation of the industry from the engineering students emphasizing of the fundamental skill required for an engineering graduate to be employable, which is provided by GSSSIETW, Mysuru.

Dr. Shivakumar M, Principal, GSSSIETW, Mysuru gave concluding remarks about Mini Project Symposium-2018, he addressed that, This is a significant learning experience stressing teamwork, organization, and communication which are the important elements in an engineering career. Mini Project symposium showcases the results of individual and team-based efforts to solve multidisciplinary technical challenges. He also thanked the Alumnae for being part of the event and asked them to share their professional experiences and challenges with their juniors.

Alumnae were directed to meet Principal Dr. Shivakumar M, and the HOD's of various departments. The discussion went on regarding the role of alumnae in the growth of Department and the Institution and finally they were made to interact with Prof. Anil Kumar P V, Head – Training & Placement, GSSSIETW, Mysuru, for extending support for the placement department.

The inaugural function was followed by paper presentations as a part of symposium based on mini project work completed during 7th semester. The judges for this event were alumni of the college. Alumnae of respective department working in various companies evaluated the mini project symposium papers. Session concluded with the distribution of merit and participation certificates. IEEE Student chapter Region 10 certified the best paper presenter.

**The details of the Alumnae invitees are as follows:**

**ECE Department:**

1. Ms. Girija (2007 Batch Student), Senior Testing Engineer in Nokia, Bangalore.
2. Ms. Meghana (2014 Batch Student), Software Engineer, IBM, Bangalore.
3. Ms. Aishwarya (2008 Batch Student), Manager, Safe Wheels, Mysore.

**CSE Department:**

1. Amulya S (2010 Batch Student), Senior Associate Engineer in Genpact Headstrong Capital Market.

**TCE Department:**

1. Mrs. Manasa M, Project developer Tesla Semiconductors Bengaluru.
2. Ms. Sarika BSNL Mysuru.

**ISE Department:**

1. Madhuri Bhat (2011 Batch Student), Software Engineer in Accenture, Bengaluru.
2. Kavyashree M N(2008 Batch Student), Software Engineer in Softvision, Mysuru

**EEE Department:**

1. Ms. Pranathi Ram (2011 Batch Student), Engineer, Schneider Electric, Bangalore.
2. Ms. Roja G, Asst. Engineer, Prema Electricals, Mysore.

**E&I Department:**

1. Ms. Felciya (2011 Batch Student), Assistant Manager in Tata class edge.
2. Mrs. Uma J (2007 Batch Student), Assistant Professor, Dept. of Electronics, MMK & SDM Mahila Maha Vidyalaya, Mysuru.

**Coordinator: Archana B**, Assistant Professor, Dept. of ECE, GSSSIETW, Mysuru.

## SCIENCE FORUM

“Gita Chaitanya Merit Scholarship Award Ceremony” was organized on 20<sup>th</sup> April 2018 at GSSSIETW, Mysuru.

From Left: Dr. Shivakumar. M, Principal, GSSSIETW, Sri. R. K. Bharath CEO & MCM GSSS(R), Chief Guest, Smt. Lalitha Rajanna, Siddhartha Nagara, Mysuru, Smt. Vanaja B Pandit, Hon. Secretary, GSSS(R), Smt. Anupama B Pandit, AAO, GSSSIETW.

Gita Chaitanya Scholarship amount of Rs.10,00,000 /- (Ten Lakhs) was distributed among hundred meritorious students of GSSSIETW from various branches and years

A Special Talk on “Nutritional values of different grains and health benefits” was organized by dept. of Physics under the science forum

From left: Prof. Yogesh M, Associate Professor & Head, Dept. of Mechanical, Dr. Pushpalatha H L, Professor & Head Dept. of Physics, Dr. Shruti Pandey, Senior Scientist, Department of Grain Science and Technology, CSIR-Central Food Technological Research Institute (CFTRI), Mysore, Dr. A T Eswara , Professor & Head, Dept. of Mathematics, Dr. Bellappa S, Professor & Head, Dept. of Chemistry.

Dr. Shruti Pandey addressed the First year B.E. students. In her talk she introduced the concept of grains, various types of grains and its silent features. Explained about nutritional value of various grains, processing of grains, losses during processing, combating the processing losses, fabrication techniques, merits and demerits.

## Industrial visit to CIPET, Mysuru.

Under Science Forum an industrial visit was organized on 17th April 2018 to visit CIPET Mysuru, for 113 students of the first semester B.E. who were accompanied by two faculties of the Department of Physics. The main objective behind the visit was to make students aware about how various activities like design, tooling, plastics processing, testing and quality assurance carried out in the industry. The visit on the day of event “Open House Invitation” organized by CIPET, Mysuru was an enriching experience for students in getting live exposure and helps to bridge the gap between academic and the working environment in industry.
