PRESS NOTE

IIC & IPR Cell of GSSSIETW, Mysuru in association with the Department of CSE & ISE organized "IPR and its Protection in India-by National Intellectual Property Awareness Mission (NIPAM)" on 20th July 2022

The Institution Innovation Council (IIC) & IPR Cell of GSSS Institute of Engineering & Technology for Women, Mysuru in association with Department of CSE & ISE organized a Webinar on "IPR and its Protection in India-by National Intellectual Property Awareness Mission (NIPAM)" on 20th July 2022.

Dr. S. Meenakshi Sundram, Professor & Head, Dept. of CSE and Dr. Gururaj K S, Professor & Head, Dept. of ISE gave the objectives and outcomes of the Webinar organized by the IPR Cell of the College. **Mr. Manuj Gangwar, Examiner of Patents and Designs, Patent Office, Chennai** discussed about the widespread awareness on Intellectual Property Rights (IPR) issues in social media, particularly in copyright sector and the current legal framework and remedies available to the IP holders to deal with such issues.

The session of webinar explains the role of IPR (Intellectual Property Rights) which is to protect innovations by promoting and safeguarding the interests of the innovators which is extremely important and thus, is the need of hour. Also he gave an insight on how faculty, students, and staff of the academic institution can protect their start-ups by translating their creative and innovative work into IP rights. The session brought out the importance of IPR which is critical to fostering innovation. Without protection of ideas, businesses and individuals would not reap the full benefits of their inventions.

About 200+ participants attended the webinar and were benefited. Dr.Gururaj K S shared his experience about the innovation and its importance. Dr.S.Meenakshi Sundaram, Professor, Dept. of CSE delivered the vote of thanks along with concluding remarks and all the participant's shared their feedback online.
