ABOUT GSSSIETW, Mysuru:

GSSS Institute of Engineering and Technology for Women, Mysuru is an initiative and outcome of Late Prof. B S Pandit, former Physics Professor from SJCE, Mysuru with a vision to provide quality technical education to girls. The institution was established in the year 2003 reflecting the ideas of its founder and seeks to achieve excellence as an academic institution with advanced research. The institute offers 6 B.E Programs, 2 M.Tech Programs and MBA all affiliated to VTU, Belagavi. Five Engineering branches ECE, CSE, ISE, TE and IT are accredited for three years by NBA, New Delhi, (Validity: 01-07-2017 to 30-06-2020) and also accredited with Grade A from National Assessment and Accreditation Council (NAAC). The institution has professional forums like IEEE, IETE, ISTE, ISOI and CSI. The College also offers Ph.D., programs in ECE, CSE, ISE, EEE, TE, E&IE, Mathematics, Chemistry and MBA Departments. Students have secured University ranks and received gold medals over the years. Institute has been awarded with 18 ranks, 4 Gold Medals and 1 Bronze.

Institute has been awarded with:

- NAAC accreditation with Grade 'A'
- Five UG Programs of GSSSIETW have been accredited under NBA, New Delhi for 3 years.
- A grand felicitation of the finest Educational institutions of Karnataka. The Hindu Group felicitated the educationists on a common platform titled "The DOYENS-Guardians of Knowledge" award in 2017.
- Ranked 9th position among "Top-20 Emerging Engineering colleges in India", in annual survey conducted by Higher Education Review Magazine -2016.
- Bagged 10th Rank in "Top-10 Emerging Engineering Colleges 2014", by Higher Education Review Magazine.
- "Outstanding Women Institute of IT in Karnataka" from National Karnataka Education Summit & Awards 2014.
- Secured 48th Position in top 100 Private Engineering colleges in India, as surveyed by one of the esteemed newspaper The New Indian Express.

About Seminar:

"Great discoveries and achievements invariably involve the cooperation of many minds."

-Alexander Graham Bell

The objective of the seminar is to bring together researchers from academia and industry as well as practitioners to share ideas, problems and solutions related to the multifaceted aspects of Advanced Innovations in Engineering and Technology. To provide opportunity to the researchers to build professional network and thereby establish future collaborations.

Dear Sir/Madam,

Greetings from GSSS Institute of Engineering and Technology for Women, Mysuru !!!

GSSS Institute of Engineering and Technology for Women, Mysuru is organizing 2nd **International Seminar on Research and Innovation in Engineering and Technology (ISRIET) on 16th December, 2019**

The objective of the seminar is to bring together researchers from academia and industry, as well as practitioners to share ideas, problems and solutions related to the multifaceted aspects of Advanced Innovations in Engineering and Technology. This seminar provides an opportunity to the researchers and academicians in the field to build professional network and thereby establish future collaborations.

This seminar is highly recommended as it enhances knowledge and provides an opportunity for synergetic interaction among researchers and academicians to build professional network for future collaborations.

The details of the key note speakers are mentioned below.

Keynote Speakers:

1. Prof. Silvia Liberata Ullo

Professor, Engineering Department,
University of Sannio, Italy.

2. Dr. Zar Zar Linn

ASEAN-India Research Training Fellow Professor and Dean (R&D), Web Professor, Faculty of Computer Science, Science Lab, Myanmar Institute of Information IIT-Bangalore, Bengaluru Technology, Myanmar

Dr. Srinath Srinivasa

Professor and Dean (R&D), Web Professor, Faculty of Computer Science, Science Lab, Myanmar Institute of Information IIT-Bangalore, Bengaluru Technology, Myanmar

The Inaugural function was presided by **Smt. Vanaja B Pandit**, *Hon. Secretary*, GSSS(R), Mysuru, **General Chair(ISRIET-2019)-Dr. Shivakumar M**, Principal, GSSSIETW, **Convener(ISRIET-2019) - Dr. Parameshachari B D**, Professor & Head, Dept. of TCE and **Convener(ISRIET-2019) - Dr. Reshma Banu**, Professor & Head, Dept. of ISE were present.

Chief Guest, Prof. Silvia Liberata Ullo, Professor, Engineering Department, University of Sannio, Italy emphasised that, women has to upgrade themselves to the recent technologies in all fields of Engineering. She also highlighted that India has produced more number of engineering graduates by providing valuable education over the years. She also addressed the audience about the Satellite remote sensing and how it offers the unique advantages of delivering key parameters of the water cycle, such as soil moisture, freezing and thawing state, snow water equivalent, ground water storage, and precipitation, with adequate resolution consistent with the spatial scale of model.

Keynote Speaker Dr. Zar Zar Linn, ASEAN-India Research Training Fellow Professor, Faculty of Computer Science, Myanmar Institute of Information Technology, Myanmar emphasized the emerging technologies and its applications to the world with new technologies should come from researchers. She also addressed the audience about Natural Language Translation and said that With the rise of voice interfaces and chatbots, NLP is one of the most important technologies of the information age a crucial part of artificial intelligence.

Keynote Speaker Dr. Srinath Srinivasa, Professor and Dean (R & D), Web Science Lab, IIIT-Bangalore emphasised the importance of engineering innovation and said that innovation comes with lot of knowledge and experience. He also addressed the audience about Navigate Learning Technologies & described a method for automatic generation of a learning path for education or self-education.

Dignitaries with the externals participants of ISRIET-2019

The seminar brings together researchers from academia and industry, as well as practitioners to share ideas, problems and solutions related to the multifaceted aspects of **Advanced Innovations in Engineering and Technology**. This seminar provides an opportunity to the researchers and academicians in the field to build professional network and thereby establish future collaborations.

Students, Research Scholars and faculty members from Engineering Colleges & Universities in India have registered for the Seminar. This event will congregate the best minds to inspire the young minds, to craft their successful ideas and concepts with a purpose of value added benefits to human kind.
