About GSSSIETW, Mysuru

Geetha Shishu Shikshana Sangha (R) abbreviated to GSSS (R) is the outcome of the vision and initiative of Late. Prof. B.S. Pandit former Professor from SJCE Mysuru. Under the banner of GSSS (R) there are various institutions catering to the education needs right from pre-primary children to doctoral research. GSSS (R) is a non-profit organization focused on value additions in terms of providing the best infrastructure and services for the cause of education. GSSS Institute of Engineering and Technology for Women (GSSSIETW) is one among the institutions running under GSSS (R). The main vision of founder secretary Late. Prof. B.S. Pandit was to provide quality technical education to women.

The main Vision of the GSSS Institute of Engineering and Technology for Women is to become a recognized world class Women Educational Institution by imparting professional education to the students creating technical opportunities through academic excellence and technical achievements with ethical values.

GSSSIETW offers 5 B.E Programs in Engineering viz., Electronics and Communication Engineering, Computer Science Engineering, Information Science Engineering, Electrical and Electronics Engineering, and Electronics and Instrumentation Engineering, 2 M.Tech Programs in Digital Communication and Networking, Computer Science Engineering and MBA program, all affiliated to Visvesvaraya Technological University (VTU) Belagavi. The institution has established research centres in the department of Electronics and Communication Engineering, Electronics and Instrumentation Engineering, Computer Science and Engineering, Information Science and Engineering, Electrical and Electronics Engineering, Physics, Chemistry, Mathematics and MBA. GSSSIETW has 22 Doctorate degree holders in various departments. The institution has been Accredited with GRADE 'A' by the National Accreditation Assessment Committee (NAAC), UG programs (ECE/CSE/ISE/TE) are Accredited by NBA, New Delhi (Validity: 01.07.2017-30.06.2020 & 01.07.2020–30.06.2023) and Silver Rating by QS I-Gauge. All departments have professional forums like CSI, ISSA, IEEE, IETE, ISTE, ISLE and ISOI. Students of GSSSIETW have secured 20 University ranks and received 14 gold medals right from the inception of the college.

GSSS Institute of Engineering and Technology for Women Mysuru has signed Memorandum of Understanding (MoU) with many companies to bridge the gap between the industry and the institute. Through these MoUs, the departments conduct workshops and technical talks on the cutting edge technologies to upgrade the knowledge of students about the recent advancements in technology. GSSSIETW believes in the overall development of the student apart from the academics. In this regard, the institution has dedicated Cells to ensure overall personality development of the personality of the individual. There is a committed Entrepreneurship Development Cell (ED Cell) to promote an entrepreneurial mindset among the students. Through ED Cell, Entrepreneurship Awareness Camps are conducted with the support of DST-NIMAT and more than 1000 students are already trained using ED cell.

About the Department

The department of ECE has a Professional and enthusiastic group of academicians who regularly involve in research in

various fields. The department has well equipped infrastructure support with the vision of quality based education. The department of ECE has established Program specific labs namely Embedded Systems, IoT, LabVIEW and Robotics. The dept. of ECE has established IETE student's forum (ISF). Faculty members of ECE are members of IETE, ISTE, IEEE and other professional bodies. The department of ECE has recognized Research centre under VTU Belagavi.

Conference Theme:

The Conference is an ideal forum for researchers to share their findings and thoughts with their fellow researchers. This conference will serve as a platform for fruitful interaction among Research Scholars, Scientists, Academicians and members in the Industry. The main objective of this conference is to create awareness and to provide a perfect platform for the participants to upgrade their knowledge and experience and to discuss on the ways to disseminate the awareness of the latest developments and advances in the field of Engineering & Technology. This conference reflects the current focus of global research, recent developments, challenges and emerging trends in the field of Information, Communication & Embedded technologies

Call for Papers:

Papers are invited in the following areas of interest, but not limited to:

- Communication Engineering
- Data Science
- Data Mining
- Signal and Image Processing for Communication
- Wireless Communication and Networking
- Mobile Communication
- Machine Learning and Deep Learning

Important Dates:

Last Date for Paper Submission	02-06-2020
Intimation of acceptance	03-07-2020
Last Date for Registration	05-07-2020
Conference Date	15-07-2020

Publication:

Selected papers will be published in "International Journal of Engineering Research & Technology (**IJERT**) (ISSN:2278-0181)"

Full length pdf papers in **IJERT Paper Template** not exceeding **6 pages** are to be submitted through the registration link provided:

The Principal
GSSSIETW, MYSURU

Sir,

Sub: Proposal to host Second National Conference (ONLINE) on National Conference on Communication and Data Science (NCCDS-2020) at GSSSIETW, Mysuru on 15th July 2020.

Department of ECE, GSSSIETW, Mysuru had successfully hosted first NCCDS-2019 on 26th April 2019. In the same way it is planned to host second NCCDS-2020 on 15th July 2020. The proposed conference will be a premier forum for presentation of new advances in research results in the areas of Communication Engineering, Data Science, Data Mining, Signal and Image Processing for Communication, Wireless Communication and Networking, Mobile Communication, Machine Learning and Deep Learning.

The proposed conference is **online conference** due to the prevailing situation of COVID-19 situation. The papers presented in this conference will be published in International Journal of Engineering Research & Technology (IJERT) (ISSN:2278-0181).

This proposal is submitted to the Management for approval to organize the National Conference on Communication and Data Science (NCCDS-2020) in association with IJERT in our GSSSIETW campus on 15th July 2020. The Budget detail for NCCDS-2020 is as follows:

Budget Details for NCCDS-2020	
Particulars	Amount in Rs
Registration Fees from delegates (50 delegates X Rs 250)	12,500.00
Total Estimated expenses (Detailed budget attached herewith)	5,400.00
Estimated Income from Conference	7,100.00

Thanking You,

Yours faithfully
