Dear Sir/Madam,

Subject: National Conference on Communication and Data Science (NCCDS-2019) on 26th April 2019

GSSSIETW, Mysuru is an initiative and outcome of (Late) Prof. B S Pandit, former Physics Professor from SJCE, Mysuru with a vision to provide quality technical education to girls. The institution was established in the year 2003 reflecting the ideals of its founder and seeks to achieve excellence as an academic institution with advanced research. The institute offers 6 B.E Programs, 2 M. Tech Programs and MBA, all affiliated to VTU, Belagavi. The Institute has a pride of being awarded with the title **"The DOYENS - Guardians of Knowledge-2017"** by The Hindu Group and **Silver College Rating** for QS I-GUAGE methodology by QS-ERA Pvt Ltd held in 2019.

The institute has conducted IEEE International Conference (ICCECOT-18, ICCECOT-17, ICCECOT-16) for three consecutive years. Now we are pleased to inform you that the Department of Electronics and Communication Engineering GSSSIETW, Mysuru, is organizing a **National Conference on Communication and Data Science (NCCDS-2019)** on 26th April 2019.

The Conference is an ideal forum for researchers to share their findings and thoughts with their fellow researchers across the nation. Papers are invited in the following areas of interest Communication engineering, Data science, Data mining, Signal and image processing for communication, Wireless communication and networking, Mobile communication, Machine learning and Deep Learning. Best papers will be submitted to **BJIT - International Journal of Information Technology, Published by Springer Nature and enlisted in the approved list of UGC**. All the accepted registered papers will be published by the **International Journal of Computer Applications (IJCA)**.

We invite academicians, research scholars and PG/UG students to participate in this event. We request to submit their registration forms to the mail ID ecevents@gsss.edu.in. The submission guidelines are given in the website **https://nccds2019.wixsite.com/gsssece**.

We solicit enthusiastic response from your institution.

Thanks and regards.

Yours Sincerely

About the Department

The department of ECE has a Professional and enthusiastic group of academicians who regularly involve in research in various fields. The department has well equipped infrastructure support with the vision of quality based education. The department of ECE has established Program specific labs namely Embedded Systems, IoT, NI LabVIEW. The dept. of ECE has established IETE student's forum (JSF). Faculty members of ECE are members of IETE, ISTE, IEEE and other professional bodies. The department of ECE has recognized Research centre, under VTU Belagavi.

Conference Theme:

The Conference is an ideal forum for researchers to share their findings and thoughts with their fellow researchers across the world. This conference will serve as a platform for fruitful interaction among Research Scholars, Scientists, Academicians and members in the Industry. The main objective of this conference is to create awareness and to provide a perfect platform for the participants to upgrade their knowledge and experience and to discuss on the ways to disseminate the awareness of the latest developments and advances in the field of Engineering & Technology. This conference reflects the current focus of global research, recent developments, challenges and emerging trends in the field of Information, Communication & Embedded technologies

Call for Papers:

Papers are invited in the following areas of interest, but not limited to:

Communication Engineering
Data Science
Data Mining
Signal and Image Processing for Communication
Wireless Communication and Networking
Mobile Communication
Machine Learning and Deep Learning

Publication:

Selected paper will be published in "International Journal of Computer Applications (IJCA)". All papers should be written as per requirements of the journal.

Best of selected & presented papers will be submitted to IJIT - International Journal of Information Technology published by Springer Nature (Subject to Criterions)

The paper template in MS-word format can be downloaded from

Chief guest Dr. Suryakanth V. Gangashetty (centre), Professor, IIIT, Hyderabad, is seen releasing the NCCDS - 2019 proceedings along with R.K. Bharath, CEO, GSSS, Dr. M. Shivakumar, Principal, GSSSIETW, Dr. Rajendra R. Patil, Professor, Department of ECE and Dr. S. Padmashree, Professor, Department of ECE.

Mysuru, Apr.30- A one-day National Conference on Communication and Data Science (NCCDS - 2019) was organised by the Department of Electronics & Communication Engineering of GSSS Institute of Engineering and Technology for Women (GSSSIETW), Mysuru, on Apr.26 in association with IETE and publication partners BJIT- International Journal of Information Technology published by Springer Nature & International Journal of Computer Application (IJCA).

NCCDS - 2019 was inaugurated by chief guest Dr. Suryakanth V. Gangashetty, Professor, IIIT, Hyderabad.

Speaking on the occasion, he apprised all the research scholars to share their knowledge and improve their skill in publishing research papers and work towards the growth of research. He advised young research scholars and students to make their own ... He also appreciated

pooling research papers for the conference from various States.

After the inaugural address, the chief guest spoke on the topic "Communication and Data Science." Emphasising the many important facts on computer evolution, its functionality and its role in technology, he demonstrated many interesting facts on speech processing through demos and updated the students with latest development in speech processing.

Around 131 papers for the conference were received from Kashmir, Kerala, Andhra Pradesh, Telengana and from all parts of Karnataka.

The selected 90 papers were presented in eight different sessions based on the domain and domain experts from various engineering colleges were identified to chair the sessions.

The tracks identified were Data Science, Communication and Antenna systems, Computer Networks / WSN / Network security, Embedded systems and Robotics, VLSI System de...

nal / Image / video processing, Internet of Things.

R.K. Bharath, CEO & Management Committee Member, GSSS, presided.
