

About Mini Project Expo-2019

Mini projects are playing very important role in getting good practical knowledge on the studied concepts in engineering. Electronics mini projects not just emphasize engineering theories but aid to unlock career prospects. Mini projects necessitate you to concentrate on all aspects of electrical and electronics engineering.

Mini Project Expo-2019, gives an excellent platform for the students to demonstrate their technical, analytical, interpersonal skills through the mini projects. The student's mini projects are assessed by internal and external academicians / technocrats. Attractive cash prizes and appreciation certificates are given to the deserving mini project groups based on the performance evaluation criteria.

Chief Patrons:

ABOUT GSSSIETW:

Geetha Shishu Shikshana Sangha (R) is the outcome of the vision and initiative of Late. Prof. B.S. Pandit, former Professor, SJCE, Mysuru. His vision was to provide quality technical education to girls. Housed in a sprawling campus of 14 acres, established in the year 2003, GSSSIETW is one of the reputed Colleges in the state of Karnataka. A fabulous state of art standards with well-ventilated class rooms, departmental laboratories, workshops, library, Edusat, center, Meditation hall, Placement & Training Cell and much more. The institute offers 6 UG programs, 2 M.Tech Programs and MBA all affiliated to VTU Belagavi. The Institution has professional forums like IEEE, ISOI, IETE and CSI. The College also offers Ph.D. programs in ECE, EIE, CSE, EEE, ISE, TCE, Chemistry, Physics, Mathematics and MBA departments.

ABOUT THE DEPARTMENT:

The department of ECE has a Professional and enthusiastic group of academicians who regularly involve in research with 3 doctorate faculties and 12 faculty members pursuing Ph.D in various research fields. The department has well equipped infrastructure support with the vision of quality based education. The department of ECE has established Program specific labs for enhancing the practical knowledge of the students, faculty members and research scholars. Faculty members of ECE are members of IETE, ISTE, IEEE and other professional bodies.. The department of ECE is recognized as a VTU- Research centre, Belagavi. Department has PG program in Digital Communication & Networking with intake of 18 students and UG program with intake of 180 students.

Important dates:

Last Date for registration 08/11/2019
Mini Project Expo-2019 date 13/11/2019

Registration Fee:

Registration Fee per student is Rs 100/-

Confirm the registration by sending soft copy of Registration form duly signed by the head of the Institute/ HOD to ecevents@gsss.edu.in on or before 08/11/2019.

Rules

1. Students of I year, II year, III year and IV year BE ECE/TCE/EIE/EEE/CSE/ISE participate in the inter college Mini Project Expo-2019.
2. Team must have minimum of two members and maximum of four members
3. Time for the project demo is 10+5 minutes.

Benefits

1. Participation certificate will be issued to all the participants
2. Winners will be awarded with attractive cash prizes

To,
The Principal, GSSSIETW, Mysuru

Respected Sir,

Subject: *Revised Budget proposal to organize inter college Mini Project Expo-2019 under IETE Students' Forum -Reg*

With reference to the above mentioned subject, we would like to bring to your kind notice that the expected participants for the event were 110 students, but however the registration increased to 272 students. In this connection we propose to evaluate the project year wise and give away 3 nos of first prizes and 3 nos of second prizes. So we are hereby submitting the revised budget for approval and kind consideration.

Revenue generated details are as follows

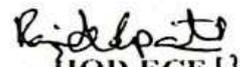

Registration fee amount collected = 27200.00
Total Amount required for program conduction = 13605.00

Revenue Generated = 13565.00

Kindly permit us and oblige.

Thanking you.

PRESS NOTE

Inter College “MINI PROJECT EXPO-2019”

(From left), Sri R K Bharath Member & CEO, GSSS(R), Professor M J Sampath kumar, Chairman, IETE Mysuru Centre, Dr. M Shivakumar, Principal, GSSSIETW, Mysuru, Dr. Rajendra R Patil, Professor and Head, Dept. of ECE, Dr. Padmashree S. Professor, Dept of ECE.

Department of Electronics & Communication Engineering, GSSSIETW, Mysuru has organized inter collegiate “MINI PROJECT EXPO-2019” on 13th October 2019. The function was inaugurated by the Chief Guest Professor M J Sampath Kumar, Chairman, IETE Mysuru Centre, Mysuru.

Mini Project Expo-2019 is a inter college event and it is organized to get good practical knowledge on the studied concepts in engineering. Mini projects are not just to emphasize engineering theories but aid to unlock career prospects. Mini projects necessitate students to concentrate on all aspects of all core circuit branches of engineering.

Chief Guest Professor M J Sampath Kumar, Chairman, IETE Mysuru Centre addressed the gathering encouraging students to take up this platform to develop the presentation skills. He emphasized the importance of engineer to society. ~~Also he~~ ^{He also} explained about concept, analysis, design & application of projects for the society.

Students of various engineering colleges participate in the intercollegiate 'Mini Project Expo 2019' at GSSSIETW in Mysuru, recently.

Inter-collegiate 'Mini project expo 2019' held

MYSURU, DHNS: The department of Electronics and Communication Engineering of Geetha Shishu Shikshana Sangha Institute of Engineering and Technology for Women (GSSSIETW) had organised an intercollegiate 'mini project expo -2019', recently.

The programme was organised to get good practical knowledge on the concepts in engineering, not only to emphasise engineering theories but to unlock career prospects. It necessitate the students to concentrate on all aspects of core circuit branches of engineering. Professor M J Sampath Ku-

mar, Institution of Electronics and Telecommunication Engineers, encouraged the students to take up this platform to develop presentation skills. M Shivakumar, principal, GSSSIETW, stressed on the importance of implementing innovative ideas, which helps the society.

Around 272 students from various engineering colleges from Davangere, Bengaluru, Hubballi, Belagavi, and Tumakuru participated with their innovative mini project ideas. Winners were presented prizes.

R K Bharath, CEO of GSSS, was present.
