**“Python Application Programming”**  
From

26<sup>th</sup> to 27<sup>th</sup> April 2019

For VI Semester students

Department of Information Science & Engineering has organized a Two Day Workshop on “Python Application Programming”. The Workshop has been organized in association with Computer Society of India (CSI) and Entelika IT Services, Mysuru for 6<sup>th</sup> Semester students of ISE from 26<sup>th</sup> to 27<sup>th</sup> April 2019. The Resource Person, **Mrs. Nagaswetha D**, Managing partner, Entelika IT Services, Mysuru and **Dr. Reshma Banu**, Professor & Head, Department of Information Science & Engineering and all staff of ISE department, GSSSIETW, Mysuru were present on this occasion. Program was coordinated by **Mr. Amaresh A M**, Assistant Professor, Department of Information Science & Engineering, GSSSIETW, Mysuru.

*Sitting From Left: Mr. Amaresh A.M, Asst. Prof., Department of Information Science & Engineering, GSSSIETW, Mrs. Nagaswetha D, Managing partner Entelika IT Services Mysuru, Miss. Ashwani I, Application Developer, Infosys Ltd, Mysuru, Dr. Reshma Banu, Prof & Head, Department of Information Science & Engineering, GSSSIETW, Mysuru,*

This was the two days workshop on python language organized for students of 6<sup>th</sup> sem ISE on 26<sup>th</sup> & 27<sup>th</sup> of April 2019 to explore the power and simplicity of python language. This workshop was appreciated by the all students, as they were able to add another programming language in their technical skill set.

# Workshop on 'Python Application programming' held at GSSSIETW

## ROAD

Department of Information Science and Engineering, GSSSIETW, Mysuru, organized a two-day workshop on Python application programming. The workshop was conducted in association with the Computer Society of India and Entelika IT Services, Mysuru for 6th Semester students of ISE on April 26 and 27. The resource person, Nandini D, managing partner, Entelika IT Services, and Shama Banu, professor and head, Department of ISE, GSSSIETW were present. The programme was coordinated by Amaresh A M, assistant professor, Department of ISE. The programme was designed to help students explore the power and simplicity of Python language.

Python is a programming language that lets you work more quickly and integrate your systems more effectively. Python is powerful and fast, plays well with others, runs everywhere, is friendly and easy to learn.

Python programming language is used in various applications like text handling, system administration,

GUI programming, database apps, scientific applications, games, natural language processing (NLP).

The workshop concluded with the valedictory function which was attended by all the students and faculties of the Information science and engineering department and certificates were given to the students.
