About GSSSIETW, Mysuru

Geetha Shishu Shikshana Sangha (R) is the outcome of the vision and initiative of Late. Prof. B.S. Pandit who retired as Professor from SJCE, Mysuru. His vision was to provide quality technical education to girls. The Institution reflects the ideals of its founder and seeks to achieve excellence as an academic Institution and advanced Research Centre. The vision of the management and commitment provides good governance resulting in progress of the Institution.

Five Engineering branches ECE, CSE, ISE, TCE and ITE are accredited for three years by NBA, New Delhi, (Validity: 01-07-2017 to 30-06-2020). The Institute offers 6 B.E Programmes, 2 M.Tech Programmes and MBA all affiliated to VTU Belagavi.

Recognitions:

* Institute has been awarded with:

- + QS I-GAUGE “Silver College Rating” given by QS-ERA India Pvt Ltd.
- + Recognized as “Authorized NI Lab VIEW Academy”.
- + Established Institution Innovation Council in association with AICTE & MHRD, New Delhi.
- + Recognized host institute by MSME, Govt. of India, New Delhi, for supporting entrepreneurial and managerial development of SMEs through incubator.
- + “Best Accredited Student Branch Award” by Computer Society of India for the year 2016 & 2017.
- + “Outstanding Women Institute of IT in Karnataka” from National Karnataka Education Summit.
- + Secured 48 Position in top 100 Private Engineering colleges in India, as surveyed by one of the esteemed newspaper “The New Indian Express”

About the Department:

Department of EEE was established in the year 2003, with an intake of 60 students. Strength of the department lies in the teaching and technical staff. The department has full-fledged laboratories as prescribed by VTU syllabus with modern equipment. The department has IEEE-PES and ISLE student chapters which conducts many activities throughout the academic year like Industrial visits, technical talks, Skill Enhancement Programs and other co-curricular activities. Staff members are active in research work and have published research papers in reputed journals.

About Project Exhibition/:

The main objective of organizing this exhibition is to provide a platform that unleashes the potential of the students by showcasing their innovative projects developed for Industry Defined Problem, User Defined Problem on Societal problems. This will provide an opportunity for the students to demonstrate their learning experience.

Domains for project exhibition include, but not restricted to;

- Electronics and Communications
- Power and Energy Systems.
- Electrical Machines and Industrial Automation
- IOT applications on Real time systems
- Interdisciplinary Projects

Registration Fee:
