IEEE Student Branch of GSSS Institute of Engineering and Technology for Women, Mysuru, Accredited by NBA, New Delhi organized 6<sup>th</sup> National Level IEEE Project competition on Wednesday 8<sup>th</sup> June 2022 in association with IEEE Bangalore section and IEEE Mysuru Subsection.

6<sup>th</sup> National Level IEEE Project competition was formally inaugurated by the chief guest **Dr. Sivakumar Gopal**, Principal Scientist, CSIR-National Aerospace Laboratories, Bengaluru. Dr Sivakumar Gopal highlighted about the significance of project competition by providing excellent opportunities to the students to showcase their talents by innovative methods. Further, Guest of Honour,

**Mr Vijay Mahantesh**, Technical Director, Clever Bit solutions Pvt Ltd, Bengaluru addressed the gathering. He expressed that, goal of the project competition is to prepare the future generation of Engineers to be innovative leaders and responsible citizens along with being a problem solver.

**Dr. M Shivakumar**, Principal, Mentor IEEE SB, GSSSIETW motivated participants by highlighting role of engineers towards society. He advised to work and contribute for CSIR Labs in the development of indigenous products. He enlightened about the various Government schemes such as Aatma Nirbhar Bharat, Ministry of Electronics & Information Technology (MeitY) that support the innovation and development of indigenous products. He also emphasized that young minds play a vital role to enhance the competitive and innovative quotient of the country

Chief Guest, **Dr. Sivakumar Gopal**, Principal Scientist, CSIR-National Aerospace Laboratories, Bengaluru, Guest of Honour, **Mr Vijay Mahantesh**, Technical Director, Clever Bit solutions Pvt Ltd, Bengaluru. **Dr. M Shivakumar**, Principal, Mentor IEEE SB, GSSSIETW, **Dr. Parameshachari B D**, IEEE Student branch counselor, Prof. and Head, Dept. of TCE, **Dr. Latha M**, **Mrs. Swetha K**, and **Mr. Keerthi Kumar M**, Chief Coordinators, Assistant professors, Department of ECE, GSSSIETW, also graced the occasion.

The main objective of the competition is to provide a forum to exhibit the technical challenges implemented in Electrical, Electronics, Telecommunication, Computer Science, Information Technology and related areas. This competition is to provide a forum to exhibit the technical challenges by presenting their innovative projects and provide an opportunity for the students to demonstrate their learning experience.

In this competition, 150 projects across Karnataka had submitted the projects among which only 50 projects were selected. Projects selected for this competition are segregated into 4 Sessions, based on the domain. In each session, around 12 project teams presented their project work. Industry experts were invited from various Companies across Karnataka to evaluate the projects. Projects were evaluated based on the evaluation criteria such as Communication Skill (20%), Design approach & Innovation (40%), Technical Relevance (20%), results and satisfactory completion (20%).

As per the expert committee decision in each individual session, 2 best project will be selected and Honoured with cash Prize. The Cash Prize is sponsored by the IEEE Mysuru Subsection and Cleverbit solutions Pvt Ltd, Bengaluru. Certificate will be issued to all the Project teams and project guides towards Recognition for their project guidance.
