Invitation

It is our pleasure to invite you for the Inauguration of

“IPR Cell”

on

16th May 2018

Chief Guest

Dr. M.N.Bheemesh

Hon. Director, National Institute of Advanced Legal Studies

&

Senior Advisor, ALMT Legal, Advocates & Solicitors, Bangalore

Guest of Honour

Smt. S.Gowthami

Founder & Secretary

Allinnov Research & Development Private Limited, Mysuru

Presided by

Smt. Vanaja B Pandit

Hon. Secretary, GSSS(R), Mysuru

In the presence of

Smt. Anupama B Pandit

AO, GSSSIETW, Mysuru

Dr. Shivakumar M

Principal, GSSSIETW, Mysuru

Sri. Bharath R K

CEO & MCM, GSSS(R)

Kindly do attend and grace the occasion

Date : 16th May 2018

Venue : Seminar Hall, GSSSIETW, Mysuru

Time : 11.00 a.m.

Public Contact Programme by CESC on May 19

Mysuru, May 18 (KS)- Chamundeshwari Electricity Supply Corporation (CESC) Ltd. has organised a Public Contact Programme for consumers coming under Ramakrishnanagar Sub-division and Kuvempunagar Sub-Division on May 19.

While the Public Contact Programme for consumers of Ramakrishnanagar Sub-Division

will be held at the office of the CESC Assistant Executive Engineer (AEE) at Ramakrishnanagar Sub-Division at 11 am, the Public Contact Programme for consumers of Kuvempunagar Sub-Division will be held at the office of the CESC AEE at Kuvempunagar Sub-Division at 3 pm.

CESC Superintending Engineer will preside.

Workshop on Energy Conservation Building Code

Mysuru, May 18- A two-day capacity building workshop on Energy Conservation Building Code (ECBC) was conducted by Bureau of Energy Efficiency (BEE), Government of India, in association with United Nations Development Programme (UNDP), Global Environment Facility (GEF) and Karnataka Renewable Energy Development Limited (KREDL), recently for the students of School of Planning and Architecture (SPA)

consumption into consideration, it is necessary to design a building focusing on energy conservation aspects.

ECBC encourages energy-efficient design or retrofit of building so that it does not constrain the building function, comfort, health, or the productivity of the occupants.

Dr. B. Shankar, Associate Professor, who was the guest, said Energy Conservation and Energy Efficiency is the fastest

Second National Conference on Engineering Innovations and Solutions held Winners of Best Project Award

Students of GSSSIETW and NIE receiving the Best Project Award from Dr. Reshma Banu, Professor & Head, Department of Information Science & Engineering, GSSSIETW, Mysuru and Dr. K. Thippeswamy, Department of Computer Science and Engineering, Visvesvaraya Technological University (VTU), PG Centre, Mysuru, Karnataka, respectively.

Mysuru, May 18- The Department of Information Science & Engineering of GSSS Institute of Engineering and Technology for Women (GSSSIETW), KRS Road, Metagalgi, Mysuru, had organised second National Conference on Engineering Innovations and Solutions (NCEIS) - 2018, technically sponsored by IEEE Bangalore Section, IEEE Photonics Society, Bengaluru Section and Computer Society of India, Bengaluru and

neering Department.

Best papers were awarded for each of the sessions along with memento for Best Paper in each of the Four Tracks.

BEST PROJECT AWARD

Instigation of Electrical Energy from Tiring Roads of GSSSIETW and Simulation of lane switching in Self-Driving Automobiles using GTA-V of NIE bagged Best Project Award.

The Conference provided Research Solutions across In-

novations and that are converging towards each other.

Dr. M. Jagannath Shenoy, President, GSSS, Vanaja B. Pandit, Hon. Secretary, GSSS, Mysuru, R.K. Bharath, Member & CEO, GSSS, Mysuru, Dr. M. Shivakumar, Principal GSSSIETW and Dr. Reshma Banu, Professor & Head, Department of Information Science & Engineering, GSSSIETW, Mysuru, Dr. S. Vagdevi, Professor & Head, Department of

Planning and Architecture (SPA), University of Mysore, recently.

Dr. H.N. Nagendara of SPA inaugurated the workshop by switching on a LED Solar Lantern. Speaking on the occasion, he said that buildings are major consumers of energy in their construction, operation and maintenance phase. Energy consuming systems for lighting, air-conditioning and water heating provide comfort to its occupants.

Taking the utilisation of

Teachers and students should reckon growth in literature

Mysuru, May 18 (US)- BGS B.Ed College had organised a programme titled 'Masthakakondu Pusthaka' at its premises in city recently to draw attention of people towards literature.

Speaking on the occasion, Writer Dr. Kabbinala Vasanth Bharadwaj observed that Kannada literature had grown enormously from ancient times to modern literature and appealed teachers and students to reckon that growth in literature.

Energy efficiency is the tastest, cleanest and cheapest way to meet Energy needs. India could save each year by greatly improving Energy Conservation and Energy Efficiency in the building.

Following the inauguration, a technical session was conducted by BEE certified ECBC Master Trainers Shivakumar Bathra and Kuldeep Kumar. D.K. Dinesh Kumar, Project Engineer, KREDL, Dr. H.S. Kumara, Assistant Professor, SPA, were present.

Pointing out that Kannada literature has a broad and strong base; he said that books have their own advantages in imparting knowledge to readers.

A book exhibition consisting of books in Kannada and English languages on literature, biographies, personality development and competitive examinations was also organised on the occasion. College Principal Dr. Nagaraj, faculty D.N. Nagaraj and others were present.

Society of India, Bengaluru and Mysuru Chapters.

The programme was inaugurated by Kalpana Aravind, Group Director, Photonics System Group, LEOS, Bengaluru and Benild Joseph, President, Information Systems Security Association (ISSA), India.

Around 247 papers were received from authors across India from various States like Punjab, Tirppur, Tamil Nadu, Tiruchanoor, Andhra Pradesh and Karnataka to name a few. Only 117 papers were accepted after plagiarism check.

The selected papers are published in UGC-approved journal 'International Journal of Scientific Research in Computer Science, Engineering and Information Technology (IJSRCSEIT).'

In all, 285 participants presented papers in parallel across four tracks — Track 1: Database and Data Mining; Track 2: Cloud computing & IoT; Track 3: Networks & Security; Track 4: Image Processing.

Each of the session was headed by Renowned Professors as session chair from NIE, SJCE, VTU Regional Office, Mysuru and Industry Professionals from IT Champs, VSG Softwares, Interlla.

The Conference concluded with a valedictory function graced by the session chairs along with participants and staff of Information Science & Engi-

neering researchers across India to share a common platform and have brainstorming sessions on the current trends and latest innovative research being carried out in the areas of Electrical, Electronics, Communication and Computer Technol-

ogy. Professor & Head, Department of Electrical and Electronics Engineering and Dr. Venkatratnam Chitturi, Associate Professor, Department of Electronics & Instrumentation Engineering, were present during the programme.

IPR Cell inaugurated at GSSSIETW

Mysuru, May 18- GSSSIETW inaugurated 'Intellectual Property Rights (IPR) Cell' on May 16. Dr. M.N. Bheemesh, Hon. Director, National Institute of Advanced Legal Studies & Senior Advisor, ALMT Legal, Advocates and Solicitors, Bengaluru, was the chief guest.

S. Gowthami, Founder & Secretary, Allinnov Research & Development Private Limited, Mysuru, was the guest of honour for the inaugural.

On the occasion, Dr. Bheemesh spoke about importance of IPR in the context of socio-economic and technological growth. He also highlighted about the importance of trademarks, copyrights and filing of patents.

S. Gowthami spoke about 'IPR and filling of Patents - Its importance and procedures involved.' She also shared her personal experiences in filing eight of her Patents as an in-

dividual. Also, she explained in detail about the procedures involved in filing of Patents.

She highlighted the importance of filing of Patents at an earlier stage and also explained the disadvantages of filing Patents at a later stage.

Dr. M. Shivakumar, Principal, GSSSIETW, gave an overview of the IPR Cell, its objectives and utilisation aspects in filing Patents that arise out of Incubation Centres, recognised Research Centres of GSSSIETW, PG students and innovative ideas that are implemented by UG students. The key objective of the IPR Cell is to transform creative ideas to innovative products.

Vanaja B. Pandit, Hon. Secretary, GSSS, presided. Dr. S. Meenakshi Sundaram, Professor & Head, Department of Computer Science & Engineering, GSSSIETW, Mysuru, was also present.
