DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

“PROJECT EXPO”

Emanate Sustainable Future

On

28th February 2024

Department of Electrical and Electronics Engineering had organized project exhibition on Renewable Energy Projects under Renewable Energy Club in association with IEEE PES chapter Bengaluru. 13 teams participated in the exhibition with various ideas.

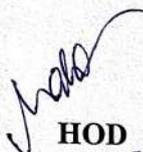

Mr Srinivas B A, Senior Delivery Manager L&T Technology Services Mysuru, was the chief guest for this exhibition he also judged the projects. The exhibition started at 1:30 PM and was open to all the students.

The Incharge principal Dr. Rajendra R Patil , incharge HoD Dr. Jagadisha N the chief guest Mr. Srinivas B A along with the club coordinators, department staff and students inaugurated the exhibition. Models of various solar powered applications were exhibited.

As the exhibition started, students presented their innovative models with a great involvement. Mr. Srinivas B A went around looking at the different models designed by the students and assessed the descriptions given by them. Apart from models, the students also organised visual presentations to help everyone understand the concepts of their working models.

The chief guest addressed the students about the importance of the contributions of the young generations to the field of Renewable energy and entrepreneurship. He also appreciated the efforts and involvement of the staff and the students in the entire work.

At the end of the exhibition, upon careful inspection of the different project models the guest announced the best five performances and awarded the first 2 prizes. Everyone who participated in the exhibition were given certificates and mementoes for their excellent efforts. The Dr. Jagadisha N extending his gratitude to Mr. Srinivas B A and congratulate all the students who participated in the exhibition.
