PRESS NOTE

GSSSIETW Alumnae Association (R), Mysuru

“Up skilling Activities in Centre for Development of Advanced Computing (C-DAC)”

Glimpses of the program conducted on 21/11/2023 at GSSSIETW, Mysuru.

Alumnae Association of GSSS Institute of Engineering & Technology for Women (GSSSIETW), Mysuru had organized “Up skilling Activities in Centre for Development of Advanced Computing (C-DAC)” for the final year students of all the engineering branches of the institution on 21st November 2023.

Mr. Arun Shankar R S senior members of C-DAC Bangalore, met up the Principal, HoDs and Faculties of our institutions as an outreach activity to create awareness about C-DAC Projects, Products, Solutions & Services.

Dr. Asvija addressed the students on prominence of C-DAC as C-DAC supports lot of features which enables the researchers and students to explore different aspects and develop different applications in the field of IoT.

He gave an overview about the CDAC-inventions, different projects handled by C-DAC in collaboration with Government of India. Students were keenly interested in PG -Diploma courses in various specializations offered by C-DAC and students gained more knowledge on IOT devices usage, quantum computing applications in real world applications, and drone oriented projects and cyber security.

He also elaborated the up skilling opportunities over different sectors, training programs, FDPs and workshops held at their center. Overall, the session was very informative, efficient and motivational to the students.

Finally, the Session was concluded with a remarkable vote of thanks for CDAC for collaborating with GSSSIETW for the session to be conducted successfully.
