ACTION TAKEN REPORT

Based on Stakeholder Feedback Analysis – Academic Year 2021-22

From the feedback analysis report, key improvement areas were identified across all four stakeholder groups. Appropriate actions were initiated by the institution to address these suggestions.

Sl. No	FEEDBACK	ACTION TAKEN
1.	Alumnae suggested the inclusion of value-added and certification programmes to bridge curriculum gaps and enhance future career opportunities.	Based on the suggestions, value-added courses and skill-oriented programmes, including communication skills training, were introduced to support student development.
2.	Concern was raised regarding the hygiene of toilet/washroom facilities, especially during the COVID-19 pandemic.	The management took proactive steps to ensure regular sanitization and improved maintenance of all washroom facilities to uphold hygiene and safety during the pandemic.
