They addressed the challenges faced by the lateral entry students and solutions to overcome it.

They informed the students to complete the additional courses during the graduation to remain updated with the leading-edge technology. They gave an insight about the career opportunities in software industries and importance of IT in Banking sector. They also elaborated the up skilling opportunities over different sectors and career related programs. They informed the students to prepare a strategy for themselves to crack the competitive exams.

Our Alumnae motivated the students to set and achieve the goals for themselves and enhance the confidence in them. Overall, the session was very informative and efficient for the lateral entry students to overcome the challenges faced in Engineering life and to build their career.

Finally, the Session was concluded with a remarkable vote of thanks for our distinguished Alumnae.
