In connection with the World Environment Day - 2024, NSS Unit of GSSSIETW, Mysuru organized an invited Talk on “Glimpse into the Rare Birds of India” by Samanvitha S Rao on 13th June 2024 in association with **Science and Adventure club** of the institute.

Dignitaries and a section of audience during the session

Samanvitha S. Rao was born in Mysuru, got interested in volunteering for wildlife conservation, bird and butterfly surveys.

Glimpses during the event

During the event madam spoke about the State of India’s Birds 2024 report, which is a periodic assessment that examines the geographic distribution, abundance trends, and conservation status of the majority of bird species commonly found in India

Event Name: Trek to Chomakunda and Kabbe Betta

Under Adventure club, a trek was organised to Chomakunda and Kabbe Betta, hills in the district of Coorg on 02/06/2024 for 1st year students. The purpose of the visit is to address the nature in its wilderness and accompanied by the volunteers of People Tree and Trek experts.

Event name: Wetland-Mitra-Pledge

The wetlands division of Ministry of Environment, Forest and Climate Change, New Delhi, Government of India is implementing the 'Save Wetlands Campaign', which aims to create mass awareness about the importance of wetlands conservation and management while actively involving local communities and youth. Under this campaign, a target to sensitize one million citizens on wetlands conservation and management has been set for the World Wetlands Day, 2024.

In this regard, Wetland-Mitra-Pledge was administered to 100 Science & Adventure Club students of GSSS Institute of Engineering & Technology for Women, Mysuru on 4th January 2024.

Event Name: Trek to Huliyurudurga and Hutridurga

Under Adventure club, a trek was organised to Huliyurudurga and Hutridurga, the fortified hills in the district of Tumakur on 29-10-2023 accompanied by the volunteers of People Tree.

Event Name: World environment day pledge

Science Club students of GSSSIETW, Mysuru celebrated World Environment Day on 5th of June 2023 under the tagline **#Beat Plastic Pollution**. Students of various branches from the club participated and celebrated world environmental day enthusiastically. They were asked to plant a sapling at their homes to create a green corner. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about plants.
