DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

6th December 2024

PRESS NOTE

Dept. of CSE, GSSSIETW, Mysuru organized Mini Project Expo
"MicroVision-Big Ideas in Small Projects" in association with CSI
Chapter and IEEE CS Student Chapter on 6th December 2024

The Department of Computer Science & Engineering at GSSSIETW Mysuru hosted one Day state level **Mini Project Expo** event "**MicroVision-Big Ideas in Small Projects**" in association with CSI Chapter and IEEE CS Student Chapter (SBC17861c) on 6th December 2024. The expo aimed to enhance and motivate students by providing an opportunity to demonstrate their project by their own scientific investigations and models in the field of engineering. It also offered insights into future enhancement of the project and examined various technology options and strategies.

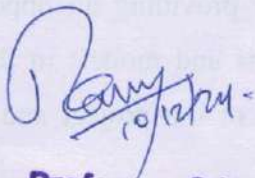

The primary objective of the competition was to create a forum for showcasing technical challenges in Computer Science, Computer Vision, Artificial Intelligence & Machine Learning, Cyber Security, IoT, Information Technology, and related fields. This event allowed students to present their innovative projects and demonstrate their learning experiences.

The event was graced by **Mr. Chandrashekaraiah B R**, Delivery Head - Digital Healthcare, L&T Technology Services, Mysuru, who inaugurated the expo with an inspiring speech, encouraging students to embrace innovation. Several industry juries, faculty members,

and students attended, making the event a resounding success. The Expo received 52 mini project titles from various institutes across Karnataka, including Dayananda Sagar College of Engineering (Bangalore), JSSATE (Bangalore), PES College of Engineering (Mandya), NIE (Mysuru), ATME College of Engineering (Mysuru), VVCE (Mysuru), MIT (Mysuru) among others. Additionally, over 20 teams from various branches of GSSSIETW participated in the event.

Jury members were **Ashley Anisha T**, Software Engineer, Dell Technologies Pvt Ltd, Bengaluru, **Simran Goyal**, Senior Technical Consultant, Robert Bosch (BGSW), Bengaluru, **Aishwarya H V**, Senior System Engineer, Infosys, Mysuru, **Bindushree B S**, Senior Software Engineer, Siemens Technology Services Pvt.Ltd, Bengaluru, **N Tejaswini**, Software Engineer, Dell Technologies Pvt Ltd, Bengaluru, **Harshitha Rani**, Software Engineer, Quest Global and **Nisarga C J**, Business Analyst, Heraizen Technologies Private Limited. All the projects have been reviewed by them and they emphasized the importance of applying theoretical knowledge to develop unique solutions for projects and advised students to think like product engineers, which would benefit them during placements. The prizes were given to the winners and congratulated.

Smt. Anupama B Pandit, Secretary, GSSS(R), **Sri Bharath R K**, Member & CEO, GSSS(R), **Dr. Shivakumar M**, Principal, GSSSIETW, **Dr. Gururaj K S**, Professor & Head, Dept. of ISE and **Dr. P Raviraj**, Professor & Head, Dept. of CSE were also congratulated all the participants and the CSE department for successfully conducting the Mini Project Expo-2024.
