1. Scheme for Promoting interests, creativity and Ethics among students (SPICES)

GSSSIETW Receives AICTE SPICES Grant to Promote Student Creativity and Innovation

GSSS Institute of Engineering and Technology for Women (GSSSIETW), Mysuru, has been awarded financial assistance under the **AICTE Scheme for Promoting Interests, Creativity and Ethics among Students (SPICES)** for the academic year 2022–23.

The grant has been sanctioned by the **All India Council for Technical Education (AICTE), Ministry of Education, Government of India**, to support student-led activities that foster creativity, innovation, teamwork, leadership, ethical values, and professional development.

Under this scheme, the institution's student club “**Kala Surabhi**” has been selected for funding. The club serves as a platform for students to explore their interests, showcase talents, engage in creative pursuits, and develop organizational and management skills through various cultural, technical, and social activities.

The project is coordinated by **Dr. Sreenivasan Padmashree**, with **Chairashree Shivakumarswamy** serving as the Co-Coordinator. AICTE has sanctioned a grant of **₹1,00,000** under the SPICES scheme to strengthen the club's activities and enhance student engagement beyond the classroom.

The SPICES initiative aims to create vibrant student communities that encourage innovation, creativity, networking, ethical practices, and holistic personality development. The recognition of Kala Surabhi under this prestigious national scheme reflects GSSSIETW's commitment to nurturing well-rounded professionals and promoting experiential learning opportunities.

Project Highlights

- **Funding Agency:** All India Council for Technical Education (AICTE), Ministry of Education, Government of India
- **Scheme:** SPICES (Scheme for Promoting Interests, Creativity and Ethics among Students)
- **Beneficiary Institution:** GSSS Institute of Engineering and Technology for Women, Mysuru

GSSSIETW Receives DST Grant for Entrepreneurship Development Training Program

GSSS Institute of Engineering and Technology for Women (GSSSIETW), Mysuru, has received financial assistance from the **Department of Science and Technology (DST), Ministry of Science and Technology, Government of India**, for conducting a **DST-Training Program on Entrepreneurship-WEDP, TEDP and FDP”** under the Innovation and Entrepreneurship Division.

The project, submitted by **Dr. Padmashree**, was sanctioned by DST with a grant of **₹1,00,000** for organizing entrepreneurship-focused training programs aimed at nurturing entrepreneurial skills, innovation, and startup culture among students, faculty members, and aspiring entrepreneurs.

As part of the initiative, the institute successfully conducted the **Women Entrepreneurship Development Program (WEDP)**, designed to empower women with the knowledge, skills, and confidence required to start and manage successful enterprises. The program provided participants with practical exposure to business planning, opportunity identification, innovation management, financial literacy, marketing strategies, and government support schemes for startups and entrepreneurs.

The training program served as an effective platform for participants to interact with experts from academia, industry, and the entrepreneurial ecosystem, thereby encouraging innovation-driven and self-reliant career pathways.

This achievement reflects GSSSIETW's continued commitment to fostering entrepreneurship, innovation, and leadership among students and women entrepreneurs while contributing to the national vision of promoting startup development and economic empowerment.

GSSSIETW Receives DST-CURIE Grant for Strengthening Research Infrastructure

GSSS Institute of Engineering and Technology for Women (GSSSIETW), Mysuru, has been awarded a prestigious grant under the **Consolidation of University Research for Innovation and Excellence (CURIE) Programme** by the **Department of Science and Technology (DST), Ministry of Science and Technology, Government of India**, through the **WISE-KIRAN Division**.

The project, titled **“Consolidation of University Research for Innovation and Excellence (CURIE) Core Grant for Women PG Colleges”**, was sanctioned with a total grant of **₹43.76 Lakhs** for a period of **three years**. The initiative aims to strengthen research infrastructure and enhance the quality of postgraduate education and research in science and engineering disciplines at women’s institutions.

The project is led by **Dr. M. Shivakumar**, Principal of GSSSIETW, and focuses on creating advanced research facilities that support innovation, interdisciplinary research, and academic excellence. The grant facilitates the procurement of sophisticated research software and equipment, including ANSYS Academic Research packages, MATLAB software licenses, and upgrades to LabVIEW software, thereby enabling faculty members and students to undertake high-quality research projects.

In addition to research infrastructure development, the project supports research manpower, consumables, networking facilities, travel, and other academic activities that contribute to building a vibrant research ecosystem within the institution.

The CURIE grant represents a significant recognition of GSSSIETW's commitment to promoting research, innovation, and technological advancement among women scholars and researchers. The enhanced facilities are expected to foster collaborative research, increase research publications, and encourage innovative solutions to societal and industrial challenges.
