### GSSSIETW Receives ₹4.57 Crore Grant for Establishment of Technology Business Incubator

GSSS Institute of Engineering and Technology for Women (GSSSIETW), Mysuru, has achieved a significant milestone with the sanction of financial assistance from the **Department of Science and Technology (DST), Government of India**, for the establishment of the **GSSSIETW Technology Business Incubator (TBI)**.

## **Establishment of GSSSIETW Incubation centre**

The project, submitted by **Dr. Padmashree A. T.**, has been approved under the **Technology Translation and Innovation (TTI)** programme. The Government of India has sanctioned a total project cost of **₹4,56,68,300** for a duration of **three years** to establish and strengthen an innovation and entrepreneurship ecosystem within the institution.

The Technology Business Incubator aims to nurture innovative ideas, support technology-based startups, facilitate industry-academia collaboration, and promote entrepreneurship among students, faculty, researchers, and aspiring innovators. The initiative will provide infrastructure, mentoring, technical guidance, networking opportunities, and business development support to emerging startups.

The sanctioned funds include support for the development of dedicated incubation facilities, research and development spaces, renovation and furnishing of incubation infrastructure, manpower, operational expenses, and startup support activities. The project also includes substantial institutional contribution, demonstrating GSSSIETW's commitment to fostering innovation-driven growth.

The establishment of the GSSSIETW Technology Business Incubator marks a major step towards creating a vibrant startup ecosystem in the region and aligns with the national vision of promoting innovation, technology commercialization, and entrepreneurship-led economic development.

### **Project Highlights**

- **Funding Agency:** Department of Science and Technology (DST), Government of India
- **Programme:** Technology Translation and Innovation (TTI)
- **Project Title:** Establishment of GSSSIETW Technology Business Incubator
- **Principal Investigator:** Dr. Padmashree A. T.
- **Project Duration:** 3 Years
- **Total Project Cost:** ₹4.57 Crore
- **Institution:** GSSS Institute of Engineering and Technology for Women, Mysuru

## **Establishment of GSSSIETW Incubation centre**

GSSSIETW expresses its gratitude to the Department of Science and Technology for this prestigious support and looks forward to contributing significantly to innovation, startup creation, and technology-driven entrepreneurship.

## Event Report

Technology Challenge Program - Agritech Edition 2026

Organized by: DST-iTBI - GSSS Technology Business Incubator Foundation (GSSSTBIF)

Date: 13th March 2026

Venue: GSSS Institute of Engineering and Technology for Women, Mysuru

### 1. Introduction

The Technology Challenge Program - Agritech Edition 2026 was organized by DST-iTBI - GSSS Technology Business Incubator Foundation (GSSSTBIF) in association with GSSS Institute of Engineering and Technology for Women, Mysuru. The program aimed to encourage students to develop innovative technological solutions addressing real-world agricultural challenges.

The event served as a platform for students to present their ideas, interact with industry experts and mentors, and explore opportunities for innovation, entrepreneurship, and incubation support. The program also aimed to promote the integration of technology with agriculture to enhance productivity, sustainability, and smart farming practices.

### 2. Inauguration Session

The Technology Challenge Program – Agritech Edition 2026 was inaugurated on 13<sup>th</sup> March 2026 at GSSS Institute of Engineering and Technology for Women, Mysuru. The inaugural session was graced by distinguished guests from the agriculture, industry, and research sectors.

The Chief Guests for the program were:

- ✓ **Shri Manjunath Angdi**, Joint Director, Horticulture Department, Mysore
- ✓ **Shri Harish**, Assistant Director, Agriculture Department, Mysore District
- ✓ **Dr. K. B. Lingaraju**, President, Mysore Chamber of Commerce and Industry (MCCI)
- ✓ **Smt. Shylaja M. Dharmesh**, Senior Principal Scientist (Retd.), CSIR-CFTRI, Mysuru

During the inaugural session, the dignitaries addressed the participants and highlighted the importance of integrating technology with agriculture to address modern farming challenges. They encouraged students to actively engage in innovation-driven activities and develop startup-oriented solutions that can benefit farmers and improve agricultural productivity.

The speakers also emphasized the importance of smart farming and sustainable agricultural practices, motivating young innovators to contribute towards the advancement of agriculture through technology and innovation.

### 3. Program Schedule

The Technology Challenge Program was structured into multiple sessions including the inauguration, evaluation rounds, and the valedictory ceremony.

Program Schedule:

- ✓ Inauguration: 10:30 AM
- ✓ Round 1 Presentations: 11:00 AM – 1:30 PM
- ✓ Final Round Presentations: 2:30 PM – 4:30 PM
- ✓ Valedictory Session & Prize Distribution: 5:30 PM

During Round 1, participating teams presented their ideas before jury members in parallel sessions. Based on the evaluation, selected teams advanced to the final round where they presented their refined solutions before the entire jury panel.
