Dear Dr. Padmashree, GSSS INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN, 9980788107

We are pleased to inform you that your proposal having TPN number "92739", titled "ESTABLISHMENT OF GSSSIETW TECHNOLOGY BUSINESS INCUBATOR" submitted for setting up Inclusive Technology Business Incubator (i-TBI) at "GSSS INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN" has been recommended by National Expert Advisory Committee (NEAC) to be considered for support under NIDHI i-TBI program subject to administrative and financial approval by DST.

As per your original proposal, it was proposed that a space of 9000 sqft will be provided by the host institute for the proposed i-TBI centre. The proposed total project cost was Rs. 500/- lakh and support sought from DST was Rs. 75/- lakh in Capital, Rs. 150/- lakh in recurring, and Rs. 150/- lakh as ignition grant. The committee/departments has recommended provisional budget as Rs. 75/- lakh under capital head, Rs. 150/- lakh under recurring head and Rs. 150/- lakh as ignition grant head. However, DST may further moderate the budget as per iTBI guidelines and DST norms as applicable. The committee recommended "Health Care, Food Processing, Agro Processing" as primary thrust area for proposed i-TBI.

The committee recommended that the institute should submit necessary documents within stipulated time, failing which DST may close their proposal of establishing the i-TBI and they have to apply afresh for consideration. The committee also recommended the GeM for procurement of equipment and other items.

The "DST-iTBI--GSSS-Technology Business Incubator Foundation (GSSSTBIF)" has been established at the GSSS Institute of Engineering & Technology for Women(GSSSIETW), Mysuru campus, with the support of generous funding amounting to ₹3.5 crores from the Department of Science and Technology (DST), Government of India, under the NIDHI scheme and an additional ₹75 lakhs from GSSS(R). This initiative highlights a strong commitment to fostering innovation and entrepreneurship in the region.

As part of DST NIDHI iTBI's eighth anniversary, DST inaugurated eight new incubation centers across India on 6th September 2024, with DST-iTBI-GSSSTBIF-MYSURU proudly being one of them. The physical inauguration took place at the NIDHI Centre of Excellence, FITT, IIT Delhi, by Dr. Jitendra Singh, Honorable Minister of Science & Technology & Earth Sciences, Govt. of India in the presence of Prof. Abhay Karandikar, Secretary, Department of Science and Technology and Prof Rangan Bannerjee, Director, IIT, Delhi. This Inaugural function at IIT , Delhi was streamed online between 11 to 12 PM on 6/09/24.

The DST-Nidhi-iTBI-GSSS-Technology Business Incubator Foundation (GSSSTBIF) at GSSSIETW aims to provide a dynamic platform for aspiring entrepreneurs and innovators, offering resources, mentorship, and an enabling environment to translate innovative ideas into successful business in the domain of Food Technology, Agro Processing and Health care. This foundation will play a pivotal role in fostering entrepreneurship, promoting technology-driven enterprises, and contributing to the economic growth of the region. The incubator will focus on nurturing innovative

ventures that align with national priorities and tackle real-world challenges. It aims to provide space and support for 30 incubates over a span of three years.

The inaugural program at GSSSIETW took place on Friday, 6th September 2024, at 10:45 a.m. in the GSSSIETW auditorium. This significant event was graced by the presence of key Management Members, including Sri. Pratap Kumar O, Joint Secretary of GSSS(R), Sri. R.K. Bharath, CEO and Board Member of GSSS(R), Sri. B.K. Nataraj, Board Member of GSSS(R), Dr. M. Shivakumar, Principal of GSSSIETW, Heads of Departments, and faculty members, who joined the live-streamed virtual inauguration. Their participation underscores GSSSIETW's commitment to nurturing a culture of innovation, collaboration, and entrepreneurship within the institution. Dr. Jagannatha Sheno M, President of GSSS(R), Smt. Vanaja B Pandit, Hon. Secretary of GSSS(R), and Smt. Anupama B Pandit, Board Member and Administrative Officer, congratulated the team on establishing this remarkable incubation centre in the GSSSIETW campus
