## **“Strategic Placement Preparations and Emerging Technologies in the Industry”**

**8<sup>th</sup> March 2025**

Alumnae Association of GSSS Institute of Engineering & Technology for Women (GSSSIETW), Mysuru had organized an “Strategic Placement Preparations and Emerging Technologies in the Industry” for 6<sup>th</sup> Semester students of ISE on 8<sup>th</sup> March 2025 by the resource persons **Ms. Monisha B** and **Ms. Moulya G**.

**Glimpses of welcoming alumnae **Ms. Monisha B**, and **Ms. Moulya G** with the welcome speech by student **Ananya GSSSIETW, Mysuru**.**

The event was insightful and career-oriented, aimed at equipping students with essential guidance for placement interviews, resume building, and adapting to the evolving technological landscape. The speakers shared their experiences and expertise, making the session highly engaging and informative.

With around 66 enthusiastic 6<sup>th</sup>-semester students from ISE in attendance, the session began with an introduction to the guests. **Ms. Monisha B** took the stage first, delivering a comprehensive overview of GitLab. She explained its importance in software development, collaboration, and version control, and demonstrated how students can leverage GitLab for project management in modern software engineering practices.

Glimpses of Alumnae session took over by Ms. Monisha B, and Ms. Moulya G Alumnae of ISE 2023

The session then transitioned into placement preparation strategies. Both speakers discussed effective approaches to interview questions, including industry-standard patterns, situation-based DBMS questions, and the significance of strong problem-solving skills. They also advised students on utilizing platforms like LeetCode to build a structured approach to technical interviews.

Ms. Moulya G elaborated on the importance of a well-structured resume and its critical role in securing job opportunities. She shared valuable tips on highlighting relevant skills, projects, and achievements. The speakers also emphasized the significance of LinkedIn in professional networking and career growth, providing practical advice on building a strong profile and expanding professional connections.

Adding a personal touch, the speakers shared their first-hand experiences during job interviews and onboarding processes. They discussed the challenges they faced, lessons learned, and how students can effectively adapt to new work environments. These stories served as motivation for students preparing for placements.

The event concluded with an interactive Q&A session, where students asked thoughtful questions related to resume building, interview strategies, and industry expectations. The speakers encouraged students to stay updated with emerging technologies and to continuously upskill to remain competitive in the job market.

This session was immensely beneficial in preparing students with the right tools and strategies to face placements confidently. The Alumnae Association of GSSSIETW remains committed to offering such valuable learning opportunities to ensure students are industry-ready.
