“Building a career Roadmap”

Alumnae Association of GSSS Institute of Engineering & Technology for Women(GSSSIETW),Mysuru is organizing Technical Talk on “**Building a career Roadmap**”for Ist year students of MBA Students on 18th of October 2024

Name: KavyashreeR (2023)

Working as HR- Executive

Company name: ZChem Specialities Pvt ltd.

Date: October18,2024

Location: GSSS INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN,MYSURU

In an insightful and empowering workshop, Kavyashree N, an expert in career development and guidance, led a session on "Building a Career Roadmap" at GSSS Institute of Engineering And Technology For Women, Mysuru. The event, aimed at helping students shape their professional paths, drew enthusiastic participation from students across various departments.

The workshop was designed to equip students with tools and strategies for career planning, goal setting, and personal development. Kavyashree N emphasized the importance of self-awareness, identifying strengths and weaknesses, and aligning individual aspirations with industry opportunities.

Key highlights of the session included:

- **Self-Assessment Tools:** Students were introduced to various assessment methods to better understand their interests, skills, and career preferences.
- **Goal Setting:** Kavyashree N guided students through a structured approach to defining short-term and long-term career goals.
- **Career Research:** The workshop emphasized the importance of staying informed about industry trends, growth sectors, and emerging technologies that will shape the future job market.
- **Skill Development:** Participants were encouraged to focus on continuous learning and acquiring skills that match their career aspirations, including technical and soft skills.
- **Networking and Mentorship:** Kavyashree N highlighted the role of networking, professional connections, and finding mentors to support career progression.

The event was interactive, with students actively participating in group discussions, sharing their career aspirations, and seeking advice on overcoming challenges they face in their professional

journey. The feedback from attendees was overwhelmingly positive, with many expressing new found clarity and motivation to take actionable steps toward their career goals.

Kavyashree N concluded the workshop by reminding students that building a successful career is a dynamic process that requires resilience, adaptability, and lifelong learning.
